Office Note

Letter no 1344 dy 29-5-03, from the Vice President, Bangalore Dist, requesting sanction to the reappropriation of Rs 105-15-3 being the pay due to 3 sweepers whose services were considered indispensable during the out break of Plague at Nagapi.

— 11 —

During 1901-1902 there were 9 sweepers in the Nagapady duty In submitting the budget estimate for 1902-1903, provision was made by the President for only 6 sweepers; but their number was not reduced at the commencement of the year 1902-1903 hoping to do the same on the passing of the provision in the budget. The budget was passed in this office on 1-8-02 & is said to have reached Nagapi on October 1902 As shortly after this, plague broke out at Nagapi, the services of the three sweepers proposed to be dispense with, became absolutely necessary.

and

and their services were continued up to the end of Feb. 1903, thus incurring an expenditure (not provided for) of Rs 106-15-3 for their sake. The Dist Board of Magadi propose to meet this cost from the provision of Rs 200 made in the current year's budget under "VIII Public Works (b) Buildings original" and Rs 100 kept in reserve for ~~buildings~~ constructing an Octroi cooli building for the Dalty

not stated by the Dist as Rs 105-15-6

President proposes to the cost from Rs 100 + not 10 as erroneously town) provided er "VIII B IV (b) Roads nal & (c) Reserve

The manuscript copy of the budget order above referred to was sent from this office to the Dy Comr on 1-8-02 & it is not clear why it took more than two months for the District office to communicate the same to the Vice President of Magadi. May the President be asked to report who is responsible for this delay & unauthorized expenditure without Budget provision? or may Sanction be accorded with an observation that expenditure should not have been incurred without Budget provision.
